

Job Description

Lift Operator

Lift Operators are responsible for the safe and efficient operation of ski area lifts, and the customers that use them. They spend their days helping customers, of all skill levels, load and unload from lifts, in all kinds of weather. As a result, enjoyment of the outdoors is a must! The job of a lift operator is critical to the success of any ski operation because much of the customer's time is spent with them.

Responsibilities:

- Provide excellent customer service.
- Operate the assigned lift safely and efficiently.
- Maintain all operational aspects of the assigned lift—ramp, mazes and signs

Knowledge, Skills and Abilities

- Possess excellent employee and public relations skills and enjoy working with the public
- Mature, energetic, dependable, and self-motivated
- Able to reason and react with quick, thoughtful judgement, while remaining calm under pressure
- Capable of performing physical/manual duties
- Enjoy working outdoors in all kinds of weather
- Must complete the bull wheel training program
